

Public Workshop #2

We want to hear from you!!!

US 70 James City Pilot Project

Thursday, September 10, 2009

Business Owners Meeting – 5:00-6:00 PM

General Public Meeting – 7:00-8:00 PM

WHERE: Brinson Elementary School,
319 Neuse Forest Avenue 

After several months of working with NCDOT, Craven Co. representatives, and business owners to develop the design plans for the area, the project team is ready to bring updated plans to the public in James City.

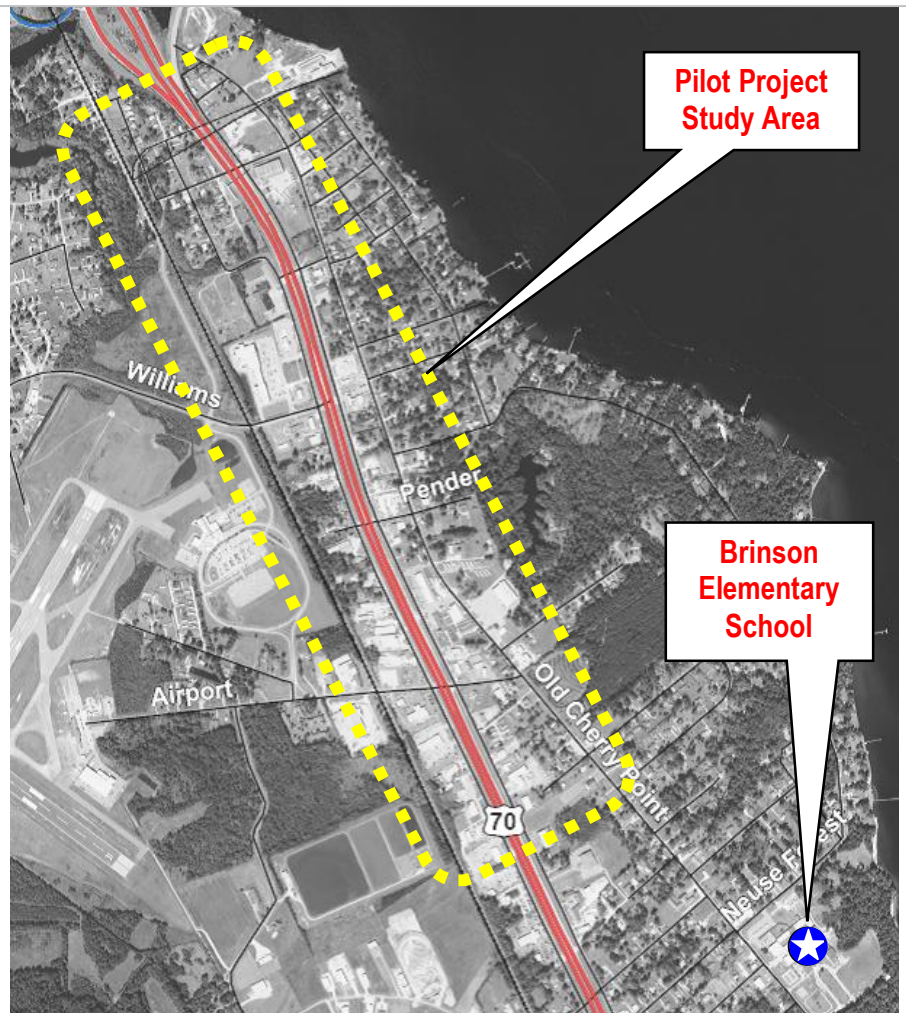

The purpose of this information session is to obtain feedback on the ideas generated and developed since the last workshop.

Attendees will have a chance to:

- Review latest design plans for US 70 through James City
- Discuss bypass options from New Bern to Havelock
- Compare and contrast the retrofit and bypass options
- Sit down with project team members, local partners, and other residents to ask questions and talk about your concerns

We look forward to seeing you there!

Refreshments will be available.
