

EDUCATION

Master of Structural Engineering,
University of Florida

Bachelor of Civil Engineering,
University of Florida

REGISTRATIONS

Professional Engineer
in FL, #54640

Professional Engineer
in AL, #35867

AFFILIATIONS

Member, American Society
of Civil Engineers (AMCE)

SETH SCHMID, PE

STRUCTURAL ENGINEER

Seth's depth of experience in structural engineering allows him to provide a broad spectrum of forensic engineering services. His experience in design, construction phase engineering, and property assessment allows him to get to the origin and cause of problems. He has been involved in all aspects of a project from project management to conceptual planning, design, development of technical specifications, permitting, construction, and failure analysis of all aspects of building systems.

His services include:

- **Structural Engineering:** Steel, cast-in-place concrete, masonry, and timber design for a variety of structures such as box culverts, retaining walls, boardwalks, industrial buildings, water control structures, industrial equipment supports, and stormwater vaults.
- **Property Condition Assessments:** Assess the condition of industrial buildings, office buildings, golf cart tunnels, and municipal treatment facility structures.

PROJECT EXPERIENCE

Structural Engineering

- Structural Engineering Services, Lee County, FL
- Dunedin Marina Master Plan, Dunedin, FL
- Master Pump Station No. 1, 2, and 3 Rehabilitation, St. Pete Beach, FL
- Southeast Wastewater Reclamation Facility (SEWRF) Internal Recycle Pump Replacement/Headworks Rehabilitation, Bradenton, FL
- Dunn Water Reclamation Facility Ditch Erosion Repair, Pinellas County, FL
- Baker Park, Naples, FL
- Central Avenue Improvements, Naples, FL
- West Villages Improvement District (WVID) Southwest Wastewater Reclamation Facility (SWWWRF), North Port, FL
- Bay Laurel Center Community Development District (BLCCDD) 2.5-MGD Bay Laurel North Water Reclamation Facility (WRF), Ocala, FL
- RiversEdge, Jacksonville, FL
- Laishley Waterfront Park and Marina, Punta Gorda, FL
- Flagler County Plantation Bay Wastewater Treatment Facility (WWTF) Phase 1 Design and CEI, Bunnell, FL
- Pinellas County Pump Station no. 190 Rehabilitation, Indian Rocks Beach, FL

Structural Restoration, Inspection, and Repair

- Tarpon Cove Piling Repairs, Tarpon Springs, FL
- Tarpon Cove Clubhouse Stair Repairs, Tarpon Springs, FL
- HART Marion Transit Center Rehabilitation, Tampa, FL
- Dames Point Conveyor Bridge Inspection, Jacksonville, FL
- Golf Cart Tunnel Inspections, The Villages, FL
